If you're a frequent traveler, you should have a high quality piece of luggage, but one bag usually won't do. **Each trip calls for a different type of bag**; one will work best for your long-term backpacking trip, while another works best for your weekend escapes.

Every female traveler needs four bags in their repertoire, each for different trip lengths and uses that we discuss below!

Travel Purse or Daypack

Once you've arrived at your destination, you'll want to have a travel purse or daypack to carry and store necessities (like a map, water bottle, etc.) while you walk around at your destination.

If you're more looking for a travel purse, we recommend any of the following:

LiteGear City Tote
