Clothesline. Check. Charger. Check. Antitheft handbag. Check. Antimicrobial T-shirt with insect repellent and sun protection: Check, check and check. Here are the travel goods that are bringing intelligent accessories, connectivity and power solutions, and fun and versatile travel clothing to plugged-in adventurers in pursuit of leisure travel. | By **Kathy Witt**

Weighing only 3 oz. and stretching from 42" to 72", **LiteGear Bags' Clothesline** is an easy-to-pack must-have for travel. Perfect for drying bathing suits, delicates and intimates, the braided 100% natural latex rubber line lets you hang-dry clothes anywhere — in a hotel room or cruise ship cabin or between trees at the campground. No need to bring clothespins; and no need to worry about shrinking items in a dryer. MSRP \$14.95
